ABOUT US

Founded in 2021, D-Click Solutions is a Full-Spectrum ICT company located at Kibamba CCM, Plot No. 1892, House No 7, Dar es Salaam with Brela Reg No. 186048040

We specialize in delivering innovative, secure, and customized technology solutions to empower businesses, institutions, and government bodies across Tanzania.

With a dedicated support channel team, we prioritize client satisfaction, operational efficiency, and lasting partnerships.

OUR MISSION

To simplify, optimize, and secure technology for business through smart, affordable, and sustainable ICT solutions that drive productivity and innovation.

OUR VISION

To be East Africa’s most trusted and innovative ICT solutions provider. Transforming businesses through cutting-edge technology, exceptional customer experience, and a commitment to digital excellence.

OUR VALUES

COMMITMENT:

Dedication to delivering results and honoring responsibilities.

INTEGRITY:

We conduct business with honesty, transparency, and professionalism.

CONSISTENCY:

Maintaining high standards and reliability over time.

WHY CHOOSE D-CLICK SOLUTIONS.?

Dedicated Support Team for immediate technical assistance

Expertise in Large & Small Projects

Flexible & Scalable Solutions

Strong Track Record with Renowned Clients

Clear Communication & Professional Service

Fast Turnaround with Quality Delivery

OUR CORE SERVICES

IT CONSULTANCY & AUDITING:
We provide expert analysis of your IT infrastructure to improve performance, reduce risks, and ensure compliance with industry standards.

CCTV INSTALLATIONS:
We design and install high-definition surveillance systems for homes, businesses, and institutions to ensure 24/7 security monitoring.

SECURITY SYSTEMS & ACCESS CONTROL:
We install biometric systems, RFID card readers, and smart locks to control access and enhance safety in your premises.

ELECTRICAL FENCING & MOTOR GATES:
We supply and install electric fences and automated gate systems to secure residential and commercial properties.

NETWORKING INSTALLATIONS & INTERNET SERVICES:
We set up reliable, high-speed wired and wireless networks, including routers, switches, and structured cabling for seamless internet access.

ICT PROJECT MANAGEMENT:
We oversee end-to-end ICT projects—from planning and procurement to deployment and evaluation ensuring timely and efficient delivery.

ICT EQUIPMENT SUPPLIES:
We supply quality IT hardware such as laptops, desktops, printers, servers, routers, and accessories tailored to your business needs.

BODABODA & CAR TRACKING SOLUTIONS:
We provide GPS tracking systems for motorcycles and vehicles to enhance fleet management, safety, and theft prevention.

COMPANY BRANDING & DIGITAL MARKETING:
From logo design to social media campaigns, we help build strong brand identities and promote your business across digital platforms.

FIREWALLS & ENDPOINT SECURITY:
We deploy firewall systems, antivirus, and endpoint protection solutions to secure your network against cyber threats.

GRAPHICS & ARTS DESIGN:
Our creative team delivers professional designs for posters, banners, brochures, business cards, and more to elevate your brand.

CUSTOMIZED SOFTWARE SOLUTIONS:
We develop user-friendly, scalable software applications tailored to your business workflows, such as inventory, POS, and school systems.

COMPUTER SERVICES, PHOTOCOPIERS, PRINTERS & SCANNERS:
We provide maintenance, repair, and setup services for computers, photocopiers, printers, and scanning equipment.

ARTIFICIAL INTELLIGENCE SOLUTIONS:
At D-Click Solutions Co. Ltd, we provide innovative AI-powered and creative media services designed to help businesses grow, communicate better, and stand out in the digital world

LIVESTREAMING, VIDEO CONFERENCING & AV PRODUCTION:
We set up livestreaming and video conferencing systems and offer audio-visual production for events, meetings, and marketing needs.

BACKUP SOLUTIONS & ACTIVE DIRECTORY INTEGRATION:
We implement data backup systems and integrate Active Directory for centralized user and access management in corporate environments.

PBX & INTERCOM SYSTEMS:

We install telephone systems and intercoms to enhance internal communication in offices, schools, and organizations.
